Fresh Brew

The taste of quality worldwide

The FreshOne and FreshMore combine wonderful aroma with warmth to produce a stimulating and delicious cup of fresh filter coffee for you, your staff or your customers. This is the great benefit of Bravilor Bonamat's fresh brew equipment, all of the above features at the touch of a button and whenever you need them. As well as dispensing fresh filter coffee and hot water by the cup or decanter our FreshMore series also offers such speciality options as cappuccino, espresso and hot chocolate perfectly geared to your tastes.

An elegant design that is an added bonus for every working environment.

FreshMore-series highlighted

- Each cup freshly brewed
- Transparent canisters: clearly visible contents
- Bravilor Bonamat unique hot water system: less susceptible to scale formation
- Solid stainless steel housing
- Fast and simple operation
- Adjustable settings depending on choice of beverage
- Drip-tray and waste container sensor and descaling signal
- Total and daily counters
- Decanter switch
- Little maintenance: automatic descaling system and rinsing program
- Energy-saving mode
- Available in burgundy and dark-grey
- Pre-prepared for communication with various paying systems

A clear and user friendly operating display.
